***Eagles for Children** is a 501(c)3 nonprofit organization committed to supporting local charities for disadvantaged youth through partnerships with golf clubs. The **Eagles for Children** concept is simple: members come together to donate a minimum of \$2 for every eagle scored by members and their families at their club. Throughout the season, each club accumulates donations for charities of their choice that focus on children in need. Our golf game has more meaning now knowing that at the same time we are playing a game we love we are raising money for those in our communities who need it the most. Play great golf ... FOR THE KIDS!*
