

# PENRICKTON CENTER FOR BLIND CHILDREN

---

December 13, 2013

Eagles for Children  
c/o Ms. Cheryl Dolan  
801 W. Ann Arbor Trail, Suite 220  
Plymouth, MI 48170

Dear Special Friends:

The children at Penrickton Center for Blind Children struggle every day to develop lifelong skills to be as independent as possible. Through our unique programs and services, we set the stage for learning even though the children are blind and have other disabilities such as cerebral palsy, epilepsy and developmental delay. Our overriding philosophy is not what they can't do...it's what they can do!

Thanks so much for the gift from the Eagles for Children program of \$2000.00. As you know, the funds will upgrade and adapt our wheelchair van with new tie downs. This gift will enhance our field trip capabilities, taking the children out and about in the community to experience the world first hand! Thank you for providing this priceless opportunity.

Thank you again to all of the special people and golfers who never stop caring! More importantly, you have given our children reason to smile; and their smiles grow wider and wider with each new found experience.

Your support and thoughtfulness to our special children is far greater than you ever could imagine!

Sincerely,

Janet K. Ames, M.S.W.  
Community Relations

*P.S. Hope you can stop by + visit me day!  
Janet*
